A film, also called a movie, motion picture, moving picture, or photoplay, is a series of still images that, when shown on a screen, create the illusion of moving images. (See the glossary of motion picture terms.). This optical illusion causes the audience to perceive continuous motion between separate objects viewed in rapid succession. The process of filmmaking is both an art and an industry.

Welcome to the Daily Script, a collection of movie scripts and screenplays to serve as a resource for writers and actors and those who simply enjoy reading movie scripts. The movie scripts are presented in proper script format (for the most part) and where possible, multiple drafts are presented. A movie script will be featured daily, (hence the name Daily Script).
