STATUS INTEGRATION AND SUICIDE IN CEYLON JACK P. GIBBS AND WALTER T. MARTIN  
ABSTRACT The theory of status integration, a further development of Durkheim's work on social integration, provides a quantitative measure which makes it possible to test the following theorem: The suicide rate

### **Status Integration and Suicide in Ceylon**

Operationalizing types of suicide Regulation: economic growth, unemployment. Integration: family, religion, status integration Studies have lent considerable support to [Durkheim's] original findings (Thorlindsson & Bjarnason 1998). However, many have used group, rather than individual data.

### **Durkheim's four types of suicide (after Pope 1976)**

The findings of two between-columns tests of the theory linking status integration and the suicide rate (Stafford & Gibbs 1985, 1988) suggest that only occupational integration is relevant. However, in numerous within-column tests there is a substantial negative association between marital integration and the suicide rate among ...

### **Status Integration and Suicide: A Sociological Study. Jack**

Gibbs and Martin's theory of status integration and suicide has been examined in the light of some criticisms of this theory. The original data of Gibbs and Martin on status integration in 30 American states have been reanalysed, including data on authoritarianism, inequality, and murder. These last three variables were found to be better predictors of suicide rates than status integration.
