6. Standardization of rates and ratios*. Concepts and basic methods for deriving measures that are comparable across populations that differ in age and other demographic variables.

Standardization of rates and ratios - epidemiolog.net

Life extension is the idea of extending the human lifespan, either modestly "through improvements in medicine" or dramatically by increasing the maximum lifespan beyond its generally settled limit of 125 years. The ability to achieve such dramatic changes, however, does not currently exist. Some researchers in this area, and "life extensionists", "immortalists" or "longevists" (those who ...

Life extension - Wikipedia

Chi-square tests revealed that book readers differed from non-book readers in that a higher proportion was female, college educated, and in the higher-wealth group (all $p < 0.001$); These variables were included as covariates in all models.No significant differences existed in age, race, health, job status, or marriage status between groups at the 0.05 level.

A chapter a day: Association of book reading with longevity

Executive Summary. In recent years, a new form of retirement income annuity solution has been gaining visibility: the longevity annuity. A "cousin" to the more familiar immediate annuity, the goal of the longevity annuity is similar "to provide income for life" but the payments do not begin until years (or even decades) after the purchase.
