I will never forget that moment. Rarely does a doctor, or anyone else, get to do something so dramatic that saves a life. This boy was a little older than a toddler, but not old enough to know not to put a coin into his mouth.

Choking Risks for Toddlers: How to Be Prepared

On each page, the surveys are arranged by the total number of points available in each question, in descending order. All of the questions were transcribed from whatever Richard said when he first read the question for the face-off, on the theory that that would be the most likely time for him to read the question on the card verbatim.
